Remarks

Type: C-compulsory courses, CE-core elective courses, E-elective (optional) courses

Methods of assessment: ex-exam (exam at the end of the semester, but other forms of assessment are possible during the semester), pg- grade based on the practical assignments given during the course of the semester, ce- Comprehensive examination,

L-Numbers in the semester column indicate the number of lectures per week. S- Numbers in the semester column indicate the number of seminars per week.

Kredit: Numbers in the credit column indicate the credit value of the given subject.

Courses are recommended to be taken according to the prescribed time schedule of the study programme ("sample"). You can plan your own individual programme in respect of the following conditions:

1. the prerequisite system of their study-programme must be taken into consideration when registering for courses.
2. the availability of courses in the semester (most courses are offered either in the fall or in the spring semesters only)
3. completing an average of 30 credits per semester, as a general rule.

Recommendations as to what courses to attend

- The required schedule is shown in the NEPTUN curriculum. The semester is valid (active) if at least one subject is registered.
- All mandatory courses must be completed, and altogether 120 credits are necessary to receive the MA degree.
- Besides the mandatory courses the student can sign up for elective subjects (including foreign language courses). A total of 30 credits are recommended per semester. At least two of the electives must be taken from the elective subjects of the Institute of International
- Students should pay a special fee if they complete more than 132 credits' worth of courses (above 10% beyond 120 credit points).
- Students who study state-financed should pay a special fee for enrolled but unfulfilled credits (courses not completed) after the examination period (upon the end of the semester).

Information about Graduation
